NEW USER REGISTRATION FORM
Welcome to the RF/ITV new user registration.
Once you complete the questions, please "SUBMIT" your results.
All fields must be filled in. If the field does not apply then enter "NA"
NOTE: Your email address must be one approved for official business,
i.e. ending in .mil, .gov.
Addresses from commercial ISPs such as aol.com or hotmail.com
will not be accepted.
If you do not have an official e-mail address you may submit the address
from a member of your chain of command.
First Name
Last Name

DOD Disclaimer
Notice:
This is a U. S. Government Computer System
This is a Department of Defense computer system. Before processing classified information, check the security accreditation level of this system. Do not process, store, or transmit information classified above the accreditation level of this system. This computer system including all related equipment, networks, and network devices are provided only for authorized U. S. government use. DOD Computer systems may be monitored for all lawful purposes, including to ensure that their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability and operational security. Monitoring includes, but is not limited to, active attacks by authorized DoD entities to test or verify the security of the system. During monitoring, information may be examined, recorded, copied and used for authorized purposes. All information including personal information, placed on or sent over this system may be monitored. Use of this DoD computer system, authorized or unauthorized, constitutes consent to monitoring. Unauthorized use of this computer system may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal, or other adverse action. Use of this system constitutes consent to monitoring for all lawful purposes.

RF/ITV Queries

Just like GTN & JTAV, you can conduct many different queries

NOTE: All queries, except archive queries, will retrieve data from the active tag database. Tag Event & Shipment information is archived when a tag is erased or re-written. For example, if a tag has been erased &/or re-written, the previous Tag Event & Shipment information will be in the archive database

Single Key Data Element	**Enter One:** Doc#, TCN, Interrogator, Consignee, Consignor, POE, POD, NSN, NIIN, Nomenclature, Tag ID, Container, Freetext, Service, Operation/Mission, Commodity Class
Multiple Data Elements	**Enter one or more:** Lead TCN, Consignee, Consignor, POE, POD, Service, Operation/Mission, Commodity Class, Container, Tag ID
RF Interrogator and Multiple Data Elements	Enter a specific **RF Interrogator** and Enter none or several of the following fields: Lead TCN, Consignee, Consignor, POE, POD, Service, Operation/Mission, Commodity Class, Container, Tag ID
Multiple Data Element for Commodity Items	**Enter one or more:** Lead TCN, Consignee, Consignor, POE, POD, Container, Service, Operation/Mission, Commodity Class, Doc#, NSN, RIC, LIN, Nomenclature, Tag ID
TAG/TCN/Doc#/DODAAC list quer	st. The report can then be
TAG/TCN/Doc# Archive list query	Enter a list of archived TCNs/TAGs/Doc#s and get the status on the entire list. The report can then be displayed or emailed to you.
Current Reported Location	List of Shipments whose most recent report is at the specified location.
Tags Reporting at an Interrogator NEW!	**Enter the Interrogtor Id:** All the Tags that last reported to the interrogator will be returned
Ammo List	Ammo Queries.
List of all the Military Units / Services Data	List of all the Military Units / Services Data (if entered when the tag was written)
List of all the Military Exercise / Operation data	List of all the Military Exercise / Operation data (if entered when the tag was written)
List of all the Commodity Class data	List of all the Commodity Class data (if entered when the tag was written)

For this example, Click Single Key Data

Query for Freetext

Thu APR 01 2004 18:57:37 GMT

- Click on a column header to sort by that field
- Put mouse over a sorted field to see the order (asc/desc)
- Sorted field is in a different color
- Only the data on this page will be sorted
- The sorting operation could take a few minutes depending on your PC.
- NOTE: These features only work with Internet Explorer

Freetext is shown as Comments, MW74M is the ULN for a unit deployed.

Click to import the data from the query into Excel.
